— HOLIDAYS —

Personalised luxury: holidays for next summer

Our expertise is defined by more than thirty years of organising personalised holidays for those who love luxurious surroundings and expect exceptional service. Here, in this first edition brochure, we're showcasing some of our most popular hotels although, if your favourite doesn't feature, or you'd like to find out more, simply give us a call.

All our holidays are individually created with the minimum of fuss as we have the time and know-how to help plan the most complex of trips. Of course, our hotels have been selected for their location, sophistication and first-class service and so, whether you're wanting a family holiday, or a child-free, adult-only experience, we're here to help.

With totally flexible options including flights from any airport, holidays of any duration and private transfers in resort, our UK concierge team and resort-based representatives are also on hand to give advice about restaurant recommendations and reservations, and private and exclusive tours. You can always rest assured that we can help with every detail.

Nick Whunday

Managing Director

Tailor-made for you

Our customers expect excellence, and from the moment that you contact us, you'll know that we offer a professional and flexible service. We know and love our resorts and hotels, and if there's any additional detail that you need, we'll simply contact our overseas staff or hotel partners to ensure that you are booking exactly the holiday you've dreamed about. We can easily

book any flight from your local airport, and we normally include private airport transfers for your arrival and departure, although we can book a hire car if you prefer. All our hotels have superb choices of premier rooms, junior suites and suites - sometimes even presidential suites! And once in resort, there's a representative eager to help.

Grecootel LuxMe White Palace, Crete

Hillside Beach Club, Turkey

Mallorca

Personalised for you

We tailor each holiday individually which means you can fly from your local airport for whichever duration suits you best. Customers love giving feedback about their holidays and one of the most highly rated aspects, in addition to our specially chosen luxury hotels, is our private airport transfers in resort which are (normally) automatically included.

Award-winning service

Before you travel, our UK concierge team can recommend and assist with booking restaurants, private excursions, concerts, opera and theatre tickets and entry to sporting events and, once you arrive on holiday, our resort team are on hand to help you make the most of your time away.

Our hotels

We're renowned for promoting the best four and five-star luxury hotels and we also feature a few high-quality villas; perfect for families and small groups. Many of our most popular hotels are close to the beach although we have also chosen some lovely rural areas and city locations. Our hotels have a good selection of room types and suites, so you can choose between standard, sea or ocean views, interconnecting, family-style, specially adapted; even ultra-luxury with butlers in attendance!

Dining & all inclusive

Flexible dining encourages you to alternate between your hotel and local restaurants. You can book and pay for as many, or as few, hotel evening meals as you wish; simply decide on specific nights when you arrive. Some hotels offer all inclusive packages which normally include all meals and drinks plus children's clubs and non-motorised sports although, as all inclusive options vary, it's wise to check with us beforehand as to what's actually included.

Flexible flying

We book flights from any UK or Irish airport so you have the option to choose the dates and holiday duration to suit you. We're happy to book scheduled, charter and low-cost airlines; even private jets for the utmost privacy. And, where available, we can book cabin upgrades, priority boarding, pre-allocated, extra legroom and premium seating, plus in-flight meals and additional luggage.

Relax & travel

A lovely way to start your holiday is to be driven to the airport by our award-winning partners at Tristar Worldwide Chauffeur Services. Or, if you prefer to drive, we can book airport hotels and car parks through our travel partners, FHR.

At the airport

Via Lounge Pass, we can book airport lounges because, as you know, enjoying complimentary refreshments in a comfortable lounge is a great way to relax once airside. Additionally, we can book a personalised VIP meet and greet service with Ace Handling for any outbound, inbound or transit journey; a fantastic service to book especially if you're travelling with small children.

Accessibility

We have a specialist team experienced in helping with specific holiday needs whether due to restricted mobility or a hidden disability. The team are available for advice and guidance and are happy to contact our overseas managers and hoteliers with regards to professional pool equipment, accessibility requirements and the overall suitability of resorts and hotels. Do also let us know if you need travel assistance at airports or with resort transfers so that we can do our utmost to ensure your journey, as well as your holiday, can run as seamlessly as possible.

Complimentary child seats

For youngsters between 2 and 11 years, we offer complimentary inflatable booster seats for you to take on holiday, and keep! Once you've booked, we'll put you in touch with Bubblebum who will send the seat/s to you or your travel agent.

Private transfers

We automatically include private transfers for the journey between the airport and your hotel and, although occasionally these are operated by public taxi or minibus, they are always booked for your own private use. We'll also book private transfers between hotels or resorts if you've booked a two or multi centre trip.

Car hire

For some local sightseeing, you might like to have a hire car delivered to your hotel for part of your holiday, or you might prefer the total independence of a fly drive trip where you pick up the car from the airport. Simply let us know your preference and we'll organise your holiday accordingly.

New hotels

Every year our customers are keen to find out what's new. If we're featuring a property for the first time, we've highlighted this beside its star rating. The term 'new' may mean that the hotel is a newly opened hotel, or re-introduced, or featured by us for the very first time.

In resort

Our overseas staff are delighted to share the love of their resorts and their considerable local knowledge. Classic customers do, however, tend to be well-seasoned travellers so our resort management are discreet and unobtrusive. We generally endeavour to contact you at the beginning of your stay to ensure that you're happy, and we'll always delight in giving advice about local sights, recommended restaurants, traditional customs, regional wines and culinary tips. You'll also be given a 24-hour local contact number for further assistance.

Awards & ratings

Since 2005 we've been the lucky recipients of most major travel industry accolades and our reception area is filled with awards and framed certificates! But, more importantly, from our holiday questionnaire feedback, we're able to show percentage ratings according to how highly our customers ranked their experience, and this is shown under each hotel description.

Hotel recommendations

Most of our hotels are high quality properties offering a plethora of facilities and we have highlighted recommendations for spa and golf, and where all inclusive is available. We've also identified families and adults only properties although in the latter we cannot confirm a total absence of children as, although the hotels don't promote to families or offer child reductions, they might have accepted a booking with youngsters through another holiday company.

How to book

Our website is informative and inspirational but to gain the most from our personalised holiday service, and because such a high level of expertise isn't available online, we prefer to chat to you or your travel agent about your holiday requirements. Our website offers the facility to order a brochure, request a holiday quotation and contact us via LiveChat, but we really want you to call our friendly reservations team so they can help you book the best holiday at the right price. And, so that it doesn't cost you anything to call, our freephone numbers are manned until 10pm every evening.

Two & multi centres

Many of us enjoy numerous short breaks and longer holidays each year and, because all our holidays are personalised, you can take as many holidays as you wish, for whichever duration suits. Additionally, you may like to combine the contrasting scenery between a bustling city and a coastal resort; simply ask our reservations team to help with your choice of two or multi centre trips. We can put together lots of different itineraries until you're happy with the result, and the price!

Hotel only

Before your holiday, you might be flying on a business trip or you might be meeting friends and family who live abroad. Whatever the reason, if any of your party wants to organise their own travel arrangements, we are happy to book the hotel accommodation only. Plus we can easily include private resort transfers if you let us know the arrival and departure times of your flights.

Holiday vouchers

For honeymoons or weddings abroad, holiday vouchers make the perfect gift for friends and family; call our customer relations team for details.

Last minute bookings

Owing to the individual character and popularity of many of our properties, all the best rooms and suites do tend to get booked well in advance although, if you are looking for a last minute short break or holiday, do give us a call to see what's available.

Classic value

We visit each of our destinations to ensure that we only feature the highest quality properties, and this gives us the opportunity to enjoy great personal relationships which in turn allows us to negotiate the very best offers. On each hotel page we detail Classic value which may include early booking offers, complimentary room or board upgrades or special seasonal rates. We do continue to negotiate after the brochures are published so it's worth giving us a call. Plus, of course, there's our price promise which ensures that we'll match competitors' prices although there is some small print detail regarding this promise in our booking conditions.

Loyalty reward

To reward loyal customers, we offer a £40 per booking discount when you book your next holiday. This amount doubles to £80 per booking when you travel to the same Classic hotel within a year, if your hotel is participating in our hotel loyalty scheme. Simply let your travel agent or our reservations team have the details of your previous Classic holiday when you next book.

Classic Ambassadors

We enjoy a very high satisfaction rating. Around 98% of our customers state on their questionnaires that they'll travel with us again and will recommend us to their friends and family. This is important to us as we rely on loyal customers returning and referring us to their friends. We'd love you to be an Ambassador and, if you've already travelled with us and, on your recommendation, your friends or family book a Classic holiday, simply contact us with the relevant booking details. As a thank you for being a Classic Ambassador, we'll send both you and your friends a complimentary bottle of champagne, either directly to you, or via your travel agent.

When to travel

Some of the resorts in this brochure feature hotels which provide year-round holidays although during quieter holiday months, you may find that there are fewer facilities and attractions available in some areas. Similarly, restaurant choices in hotels may be limited during less busy times and amenities may be restricted by seasonal demand so, if specific hotel facilities or events or attractions are important to you, please get us to check their availability before confirming your holiday booking.

Brochure details & prices

Great care is taken in producing our brochures although it is inevitable that details may change after printing. Our 'from' prices on each hotel page are shown as a guide and we will confirm the current price when you book. Plus, as part of our commitment to high quality service, we will, of course, advise you of any changes to relevant details at this stage. Please note that all holidays and Classic value offers shown in this brochure are subject to availability and all holidays are 100% financially protected under ATOL 5837 and by ABTA W5429.

AITO

We are proud to be members of the Association of Independent Tour Operators www.aito.com which represents the UK's leading independent holiday companies and travel agents. It encourages exceptionally high standards of quality and service and, as members, we agree to abide by AITO's Code of Conduct and adhere to its Quality Charter.

Travel & health advice

Before you go, you should seek up to date advice from the UK Foreign and Commonwealth Office (FCO) www.gov.uk/foreign-travel-advice about travel to, and within, your chosen destination, noting the importance of regularly checking for the latest information. Additionally, with regards to vaccinations and health advice, you should check with your GP surgery or www.travelhealthpro.org.uk for specific recommendations.

Weddings & groups

Some of our destinations are perfect for weddings. Additionally, owing to the flexibility of flights with different airlines, we can easily organise your wedding party or groups for conferences or incentive travel. Simply contact our specialist team who will be delighted to assist with your plans.

Honeymoons & hideaways

Many of our hotels are perfect for honeymoons, anniversaries and special birthday celebrations and we're always delighted to help you choose. The Classic value sections on each hotel page highlight hotels particularly suited to honeymooners with many offering complimentary room upgrades, flowers and sparkling wine to newly-weds; they may ask for proof of the happy event so do carry a copy of your marriage certificate!

Tremezzina, Lake Como

A Liberty style hotel with breathtaking lake views

Enjoying enviable views of Lake Como, the Liberty-style Grand Hotel Tremezzo first opened its doors in 1910, attracting Europe's most cultured and wealthy patrons. Set in wonderful, extensive parkland bordering the famous 18th century Villa Carlotta botanic gardens, the hotel features objects typical of the Belle Epoque and the interior is adorned with frescoes, rich fabrics and antique furniture. Guest rooms overlook the beautiful gardens or the lake and we particularly recommend the historical suites with their breathtaking views of Bellagio and the lake,

or the rooftop suites with panoramic terraces and Jacuzzis. There are three swimming pools including a floating pool in the lake, tennis and fitness centre, and the state of the art T Spa offers delightful ESPA treatments and a relaxation area overlooking the lake. Dining choices include romantic al fresco dining boasting sublime lake views and Italian gourmet fare at the La Terrazza, whilst the L'Escale Trattoria & Wine Bar is ideal for casual dining or a simple aperitif.

HILLSIDE BEACH CLUB ★★★★★ holiday village

Fethiye, Turquoise Coast

Premier resort in a fabulous beach setting

Beautifully set in its own private bay 4km from Fethiye and backed by pine covered hillsides, the premier Hillside Beach Club appeals to couples and families alike and boasts excellent high levels of service.
